## INVITES YOU AND YOUR COLLEAGUES TO A PROFESSIONAL DEVELOPMENT SESSION

### TOPIC – “WHY KEISER?”

#### PRESENTER: JOSH MILLER

Josh Miller is an Accredited Exercise Physiologist with experience in Private Practice, Rehab Consulting and work in the Not-For-Profit sectors. Josh grew up in Victoria but moved to Tasmania in 2015 where he began his career working with Andrew Bonsey at Healthy Training, before moving into the NFP sector.

Josh opened Kieser Hobart in January of 2022 as he knew that Kieser’s unique approach to ‘Strength Training’ and rehabilitation helped to fill a need in the Tasmanian healthcare landscape.

*Kieser is a center of excellence for medically oriented strength training. At Kieser, we strive to deliver outcomes for our clients through the use of unique targeted strength training. We believe that targeted strength training is one of the most effective methods in the prevention and treatment of back pain among other conditions. Our equipment enables us to objectively measure results, during the client journey, to ensure our programs are working.*
