SPEAKER: ANNE-MARIE DEAN, POSITIVE SOLUTIONS BA (PSYCHOLOGY), GRAD DIP REHABILITATION COUNSELLING MASTER OF HEALTH SCIENCE (REHABILITATION COUNSELLING)

Workplace Mediation is a voluntary mechanism led by an impartial third party to resolve disputes. It can help to improve trust and relationships, especially if it is used to deal with conflicts promptly, as soon as they arise. Mediation can also help participants develop the skills to resolve workplace difficulties for themselves in future.

This session will provide an overview of what workplace mediation is, when it is appropriate, and what benefits it can have.

Presenter Information: Anne-Marie Dean has over 30 years of experience working in a variety of domains, including health, rehabilitation, disability and aged care, and training/higher education, both in Australia and abroad. She is skilled in Coaching, Counselling & Psychotherapy, Case Management, and Mediation and Facilitation.
